The **NORTHWEST KOI & GOLDFISH CLUB** is always looking for new members, whether you keep fish now or are planning for it in the future. Please feel free to visit one of our meetings as a guest. The meetings are generally held every third Saturday of the month. A pot-luck dinner and brief meeting are followed by an educational program and socializing. Our Annual Show in July gives both members and non-members a chance to show off their fish and compete for beautiful awards. Our monthly newsletter is filled with articles that you will find interesting and informative whether you are a beginner or professional fishkeeper. Please contact any of the following people for more information on time and location of next meeting. We hope to see you soon!
